PROFESSIONAL SUMMARY

Detail-oriented MCA graduate with a strong foundation in data analysis, statistics, and programming. Skilled in tools like Python, SQL, and Excel, with a keen interest in transforming data into actionable insights. Seeking an entry-level Data Analyst role to contribute to data-driven decision-making.

PROJECTS

Retail Sales Analysis Dashboard – *Python, SQL, Tableau*

- Analyzed retail sales data to evaluate business performance and customer behavior
- Performed data cleaning, validation, and transformations using Python (Pandas)
- Used SQL for trend analysis, customer segmentation, and regional insights
- Developed interactive Tableau dashboards to track KPIs such as sales, profit, and growth
- Generated insights that support data-driven decision-making

Google Play Store Data Analysis – *Python, Tableau*

- Conducted exploratory data analysis on app data including ratings, installs, and categories
- Performed data preprocessing and analysis using Python
- Identified factors affecting app popularity and user engagement
- Created Tableau dashboards for category-wise and performance analysis

Text-Based Chatbot – *Python, NLP*

- Developed a rule-based chatbot using Python and basic NLP techniques
- Implemented text preprocessing and response handling
- Designed simple conversational logic for automated replies

TECHNICAL SKILLS

Programming: Python, SQL

Data Analysis: Pandas, NumPy

Data Visualization: Tableau, MS Excel

EDUCATION

Course	Institute	Year	Score
Master of Computer Applications	Loyola Academy Degree & Pg College, Alwal	2024-2026	<i>Pursuing</i>
Bachelor of Science (Maths, Statistics, Data Science)	Government College for PG Women	2020 – 2023	9.27/10
Intermediate (M.P.C.)	Telangana Board of Intermediate Education	2018 – 2020	952/1000
SSC	Telangana Board of Secondary Education	2017 – 2018	8.3/10

ACHIEVEMENTS & CERTIFICATIONS

Google Data Analytics Certificate– *Coursera*

Comprehensive training in data analytics, visualization, and reporting.

Python & Django Programming– *TASK*

Back-end web development with Python and Django framework.

Employability Skills Program– *Mahindra Pride Classroom, Naandi Foundation*

Professional and communication skills training
